**Appointments:**

Our appointments are scheduled to respect your time. We reserve a specific time for your care and we make every effort to see you at that appointed time. We appreciate your promptness and consideration in not changing your schedule time. However, if you do need to change an appointment, a 48-hour notice is expected.

**Payment Options:**

For your convenience, we accept Visa, MasterCard, Discover, American Express and personal checks. Our extended payment plan is available through CareCredit.

**Missed/Broken Appointments:**

Once an appointment has been made, a room is reserved, your records are prepared, special instruments are readied for your visit, and most importantly, a specific slot of time is held for you. Because of this, we ask that you give us a 48 hour business day notice when changing any appointment in order to avoid a broken appointment charge. The charge is determined in how long of an appointment you had scheduled, but ranges between \$30 and \$75. We feel that our patient's time is valuable and we try our best to be prompt. We, of course, would appreciate the same courtesy from you.

**Dental Insurance:**

We are glad to assist you with your dental insurance plan. To help us assist you in obtaining your maximum benefit, please bring your insurance card. Once Insurance plan coverage has been verified, we will accept assignment of payment from your insurance company. Most plans cover only portion of the dental fee, which means you will be responsible for your deductible and the portion we estimate your plan will not cover. Payment of your estimated portion is expected at the time you are in our office for dental care, unless prior arrangements have been made. Any balance remaining after the claim has been processed is patient responsibility.

Understanding dental insurance can be challenging. Our goal is to assist you in maximizing your benefits. We care for patients from many different companies. Each company pays an insurance premium for specific coverage which fits the company budget. Each plan is slightly different with lower premium plans covering fewer services, downgrading of services and lower fees for services. We encourage you to become familiar with your policy exclusions, deductibles and required co-payments.

**Our courtesy service to you includes:**

1. Filing your insurance within 24 hours of your visit and requesting payment of your benefit to our office.
2. Electronically filing your insurance for short turnaround.
3. Researching your dental insurance plan to advise you of benefits available to you.
4. Re-filing your insurance a second time at 30 days and a final time at 45 days.
5. Following the American Dental Association guidelines for coding procedures and filing insurance.

**Our expectations of you as the owner of the policy:**

1. Payment of fees not covered by your insurance plan at the time the service is delivered.
2. Understanding that the insurance policy belongs to you and we have no leverage to obtain payment from your insurance carrier.
3. Taking responsibility for payment if the insurance company does not pay our office within 60 days.
4. Keeping our office informed of any changes in your insurance coverage or employment.

To assist us in obtaining your benefits, Please sign the "assignment of benefits" below to allow us to file your insurance claims. Also, please have your insurance card and photo ID ready for us to copy for our file.

I understand that this Pre-authorization Consent is valid through the dates stated above unless I cancel the authorization through written notice.

I hereby authorize Dr. Patel to release to my insurance company, information acquired in the course of my dental care. I hereby authorize benefits to be paid directly to Dr. Patel. I understand I am responsible for any unpaid balance.
